

## *Vintage – Sarah and Clive, June 2010*

A very pretty vintage styled wedding

Vintage glass cake stands were used to hold floral displays and were very effective centrepieces

Wicker hearts added detail to the pew ends and small vintage cups/teapots made very pretty flower holders and table decorations

Delicate vintage crockery was used to serve tea to the guests in the stunning shade tent on the lawn

Jam jars posies wrapped in pink ribbon decorated surfaces and jam jar tea lights illuminated the walkway to the Orangery
